

CHC33015 CERTIFICATE III IN INDIVIDUAL SUPPORT

(With Specialist units in CHC30312 Certificate III in Ageing and Home and Community Care)

The Cert III in Individual Support is Australia's latest aged care training course. It is ideal for those who want to develop their career in the aged and community care industry by gaining the latest nationally accredited qualification for caregivers and support workers.

This individual support qualification, with a specialisation in Ageing and Home & Community Care, is ideal for anyone who wants a rewarding career in aged care, home and community care. This course also provides a pathway to further studies in the area of disability support.

Turn your passion for caring into a full career with one of the most sought after qualifications in the growing health services industry!

Prerequisites: There are no prerequisites for entry into this qualification. However students will be required to attend a pre-training review to assess suitability to the course as well as literacy & numeracy skills.

- Study 2 days per week
- 26 week duration
- 120 hrs of practical placement
- Childcare assistance
- We assist all our students to obtain Practical placement
- Study close to home
- Affordable fees
- Payment plans available
- Friendly study environment
- Government funded places are available!*

This training is delivered with Victorian and Commonwealth Government funding subject to eligibility requirements. Fees: Determined at pre course interview
