Proportion of VET students with an **improved employment status after training**

2018 n = 29

This measure is based on student responses to nine questions. Students had an “improved employment status after training” if they were employed before training and afterwards had greater responsibility, a promotion, started a new role, earned more, worked more hours, gained extra skills, completed an apprenticeship/traineeship or set up a business. For those that were unemployed, they had “improved employment status” if they got a job or set up a business.

The methodology used to construct this measure was changed in 2018. So, the results are not directly comparable over time.

Proportion of VET students **going onto further study at a higher level than their completed training**

2018 n = 27

Students that commenced another course or further study were asked about the level of the new course. This measure is based on the proportion of students who reported that they were going onto further study at a higher level than the course recorded in their administrative data.
