

# Testimonials

"The program really helped me to learn all the road rules and pick up the right habits when it comes to driving. I don't think I would have passed my test first try without the support of the L2P program and I am so grateful to have been apart of it"

Darcy, WynBay TAC L2P Learner

"The L2P program is one that could arguably be described as a building block of the lives of those who seek to achieve; achieve independence; achieve a goal that will further enable their life opportunities. The L2P program is an enabler, a vehicle through which more than just learning to drive may result. Whilst my interest in becoming an L2P mentor was based on my inherent love of driving, my day job as an educator and a desire to support young people to further their skills to further other goals they have, Zeituna (L2P Learner) has shown me that there can be so much more "

Kerry, WynBay TAC L2P Mentor

"Helping me to get my license on the first go! L2P's is much more than just filling up your logbook, it's also about becoming a better driver"

Tyson , WynBay TAC L2P Learner

"I'm pleased to say I've just had my first learner pass their license drive test with an almost perfect score. For me the satisfaction of knowing that now there a young person who now has the extra independence a driver's license offers where that wasn't an option before is very fulfilling"

Tim, WynBay TAC L2P Mentor

"I can say that for some 110 + hours and over 12 months of sitting in the passenger seat it was so pleasing to finally see him hold those plates up. He set his goals to have his licence before Christmas so he could then pursue his career ambition of getting an electrical apprenticeship"

Wayne, WynBay TAC L2P Mentor

# Victoria's Graduated Licensing System

The Graduated Licensing System makes it compulsory for learner drivers 21 years of age to obtain 120 hours of supervised driving experience prior to taking the probationary license test.

For most people, learner driver experience is gained through parents or other family members in family owned vehicles with the support of professional driving lessons.

The Victorian Government recognizes that young people may find it difficult to gain the driving experience required under the Graduated Licensing System.

While the TAC L2P Program is premised on the goal of increased road safety and removing a barrier that may prevent young people from gaining a license, it's also a community development program.

**The program is reported to be the largest youth mentoring program in the state.**

## TAC L2P: Help for young Learner drivers

The TAC L2P – learner driver mentor program assists learners under 21 years of age, without access to a supervising driver or vehicle, to gain the 120 hours of driving experience required to apply for a probationary licence.

Young people are matched with fully licensed volunteer mentors, and use a sponsored vehicle to gain supervised driving experience.

### Learner Drivers

To join a TAC L2P program, you need to be:

- Between 16 and 21 years of age
- A current learner's permit holder without access to either a vehicle, a supervising driver, or both

Learner drivers can refer themselves to one of 59 TAC L2P programs across Victoria or be referred by parents, schools, community agencies or other organisations.

## Calling all Volunteers

Do you enjoy driving? Do you have some spare time to connect with your community? Then Victoria's largest youth mentoring program wants you!

We are looking for enthusiastic people who could commit 1-2 hours a week to help make a difference to our young people's driving journey.

- ✓ Free training
- ✓ 1-2 hours a week
- ✓ Vehicle provided

**To become a volunteer mentor in the TAC L2P program, you need to be:**

- Interested in helping young people
- Over 21 years of age
- A current full Victorian driver's licence holder
- Screened by your local TAC L2P program

Volunteers undertake a comprehensive VicRoads training program to become learner driver mentors.

## Where is my local TAC L2P Program?
